# Kids' Baptism Basics

**How do I register for Baptism?**

- Attend a Baptism Orientation.
- We want to hear everyone's testimony—your special story of how you met and decided to follow Jesus and what your life is like now. Your testimony must be received within ***two days*** following attending Kids' Baptism Orientation. There are two ways you can turn in your testimony:
    - Bring your testimony to Guest Services at the campus you attend.
    - Email your testimony to *kids@grangerchurch.com*.

  Include with your testimony the campus and service time you wish to be baptized. Registration will be facilitated by Granger Community Church staff and a confirmation will be emailed to you.

**What do I wear?**

- A baptism shirt will be provided the day of your baptism.
- Bring a towel or two. You may want one towel available for you in the auditorium immediately after your baptism and another towel to use during changing.
- Changing areas will be provided after your baptism.

**What is the schedule?**

- Check in at the designated baptism check-in area when you arrive at church.
- Leave your bag with your change of clothes and towels at the check-in area.
- Be sure to keep one towel with you.
- Change into your baptism shirt.
- Put your name tag high on your right shoulder.
- Attend the service. You will be instructed during service when it is time to line up.
- Attendants will be available in the auditorium to guide you to a pool and escort you to the changing areas.
