

Packing List

We'll be staying in a heated lodge so students will need a sleeping bag/pillow for their bunk. All rooms have attached bathrooms. We also ask that students pack **PLENTY** of warm/outdoor clothes. We'll be spending a lot of time outside playing different games and activities as well as quite a few fun options indoors and students will likely want to change more than normal throughout the weekend. It wouldn't hurt to check the local weather for Lawton, MI 49065.
