

Monday, February 15, 2021

Dear Friends,

Thank you for praying through this difficult period, as we have been discussing the possibility of the Early Learning Center thriving apart from Granger Community Church. We have some really good news. For the 2021-2022 school year, the Early Learning Center will enter into a transition year. During this time, we will continue to operate at full capacity as part of Granger Community Church at the Granger Campus. We will utilize this transition year to prepare for the anticipated launch at a new location for the 2022-2023 school year. What does that mean? Though we are unable to fully disclose the details at this point, we can say that by God's grace, a local organization has come forward that:

1. Is well-established
2. Has a great leadership reputation
3. Is high-quality
4. Is faith-based
5. Had already been exploring Early Childhood Education
6. Aligns with the mission, vision and values of Granger Community Church and the Early Learning Center.

As a result, we will be opening up registration as soon as possible. Current families will be able to register starting on Wednesday, February 17 and Open Registration on Monday, February 22. We will continue to work between now and the 2022-2023 school year to be able to launch with strength at the new location. Thank you for your continued prayers and support in this process.

Ted Bryant, Lead Team and Board of Directors of Granger Community Church
